

ECOairflow

MODEL 1000 1" ELECTRONIC AIR CLEANER

POP-UP CORNERS MAKE MAINTENANCE A "SNAP"!

FEATURES

MOISTURE RESISTANT ELECTRONICS

Draws only 2 watts of power.

LOW PRESSURE DROP

Lowest pressure drop of
comparable 1" air cleaners.

EASY "POP-UP" CORNERS

for simple, user-friendly
maintenance.

AFFORDABLY PRICED

Takes just minutes to install and
has an extremely low annual
maintenance cost.

REPLACEMENT FILTER PADS

As part of your regular maintenance, we recommend that you change the filter pads quarterly. The handy refill packs contain replacement filter pads for four changes. When placing an order, be sure to specify the dimensions and the model number of the air cleaner, NOT the dimensions of the pads.

ECOairflow Model 1000 1" ELECTRONIC AIR CLEANER

HOW IT WORKS

The ECOairflow Model 1000 operates on the principle of bi-polarization. It creates a polarized charge on the pads inside the filter. It's a safe and simple process which effectively turns the 1000 into a giant magnet, trapping airborne contaminants like dust, dander and pollen.

The Model 1000 is designed to trap even more dangerous particles which can pose serious health risks. These include formaldehyde, viruses, bacteria and many other pathogens.

LOW PRESSURE DROP SAVES MONEY

All filters restrict air flow. The degree of restriction is measured as "pressure drop" and will determine how long and how hard a fan motor will need to operate to achieve the desired heating or cooling level in your home.

The Model 1000 has a pressure drop rating that is significantly lower than typical throwaway filters. This means that the air flows more easily, reducing heating, air conditioning and electrical costs by up to 15%.

SPECIFICATIONS

Pressure Drop To 0.18 in.w.c. @300 fpm
Normal Input Voltage 24 Volts (floating)
Input Voltage Range 18 V min to 30 V max
Power Consumption < 2 watts
Apparent Power Allow 2.0 VA
MERV..... 10
Recommended Maintenance Every 3 Months
Warranty..... 5 Years (Limited)

STANDARD SIZES

We manufacture all industry standard sizes.
Custom sizes are also available.
